About This Content

This DLC is not compatible with an account created outside Steam.

Surprise your opponent with a powerful fire of a large-caliber cannon and a whole machine-gun battery! The "Cobra" will be even more dangerous with an experienced pilot! P-39N-1 is a U.S.A. Tier VI fighter with numerous and powerful forward-firing weapons represented by a 37-mm autocannon, two 12.7-mm and four 7.62-mm machine guns. An advantageous aerial combat tactic for P-39N-1 will be an unexpected attack on the enemies already engaged in battle. High firepower allows you to destroy the opponent rapidly, and, in case of danger, you can count on your allies' help.

DLC Content:

- Bell P-39N-1 Airacobra, U.S.A. Tier VI fighter: Powerful weapons, effective boost and decent maneuverability - all this is the Airacobra! A great aircraft for fans of intense aerial combat that allows you to destroy almost any enemy with just a few hits of a 37-mm autocannon

- Fully trained pilot with 5 skill points

- Customization set: a unique paint scheme, emblem and nose art

- Hangar slot: allows you to put your warbird in the Hangar.
